Motion Pictures Show United States Army in Field and Action.

WAR DEPARTMENT PLAN

'Movies" Exhibited in Various Cities Accompanied by Lectures by Officer Detailed for Purpose.

Nearly two miles of motion pictur-Nearly two miles of metion pictures films showing the mobile army of the United States ready for camp life, field or action, is the latest, most advanced educational feature devised by the War Department for the benefit of the public. Thousands of people in all parts of the country, far removed from army Posts, thus will be brought the close relationwill be brought into close relation with the soldier's life, as vividly

any with the soldier's life, as vividity portrayed on the screen, with an army officer, detailed by the War Department, to explain each accuse. This educational feature recently has been imaginated in Pennsylvania by Maj. Thomas J. Dickson, chaptain of the sixth Pield Artillery, U. S. A., in a series of lectures at Philadelphia, Pittsnurgh, and other cittes.
Maj. Dickson passed through Washington yesterday en route to West Point N.

of sectures at Philadelphia, Pitta-gh, and other cities.

a). Dickson passed through Washing-yeaterday en route to West Point, N. where he will show the cadets of United States Military Academy the ious phases of the "business of war." we pictures are fromounced by the r Department to be the finest in pic-work yet produced, besides being the r correct scenes from army life au-tised by the government. They were on by Maj. Dickson after extensive a to the army posts throughout the stry and display practically every fea-of military life, with particular at-ion to field maneuvers.

NORTHEAST CITIZENS FIGHT TWO SALOONS

Object to Transfer of Licenses to H Street-Ministers Take

Up Fight.

In active campaign against the trainspace of two retail liquor themses, one premises six H street mortheast, and other to SE H street mortheast, was apprainted by residents of that section the dity Saturday. The applications the dity Saturday. The applications the dity Saturday. The applications the trainfers are now before the existence of the state of the section is expected but the state of the sta

Lighthouse Service Reports.

Until recently it has been necessary to procure all the cut glass lenses used in he lighthouse service abroad according to the annual report of the service, but excelly American manufacturers, have excelly American manufacturers, have excelled a lenses which are equal to those purchased abroad, having also he important features that the prisms are formed by machines instead of hy and, thereby making the parts interhangeable.

hand, facrety making the parts inter-changeable. The report says that the reorganiza-tion of the lighthouse service under the provisions of the act of Congress ap-roved Julis 18, 196, was entirely com-pleted during the early part of the fiscal year 1921, and that all of the lighthouse districts, with the exception of the three river districts, are now in charge of civilian impectors.

The appropriation for the mainte-nance of the lighthouse service for the fiscal year 1914 are \$5.01.500 teng 35.-530 in excess of those for the preceding fiscal year. In addition, there are ap-prespirations of 572.500 for special works such as new lighthouses and vessels.

M. Lynch; delegates to the annual convention of the American Federation of
Musicians, A. C. Hayden.

CARABOA DECISION HELD UP. resident, However, Is Expected to

Make It Public by Tomorrow.

President Wilson did not make public last night his decision with regard to the outcome of the investigation of the dinner of the military order of Cara-bao, which was made by Secretary Garrison and Secretary Daniels at his direction. direction.

On Saiurday he typewrote a statement of his views on the affair and many expected that this would be given out at the White House last night. There is intitle likelihood that the announcement of his declaion will be delayed beyond Tuesday when the President intends to leave for his vacation at Pass Christian, Miss.

LOW PAY FOR WOMEN IN STORES DEPLORED

Miss Constance Leupp Also Discusses Eight-hour Bill in

Address.

Washington

Conditions in Washington abures and laundries where women are employed were described last ught at All Stold Church by Miss Constance Leupp, president of the District Consumers League, in an address on "The Eight-Hour Bill Growmen." The meeting was held under the auspices of the Liberal Brilgious Dinion of the church.

Wages in some Washington department stores. Miss Leupp said, are lower, relatively, than those of most cities of this country. She described the efforts to have the eight-hour bill passed by Congress, and said that employee provemuch more efficient when working on an eight-hour scale than when working longer.

She urged that Washington be seen urged that Washington be right of the States and Territ of the United States to posse significant was for women. She said that any name a member of Congress could be bill by urging that the passed that the passed to the bill by urging that the passed

Automobile-Upsets Wagon.
A speeding automobile early vesterday morning upset a wagon driven by H. C. Rector, of 1% Eighth street northeast, at North Capitol and H streets, but the driver and the horse seeaped unfugured. The police now are looking for a five-passenger car bearing District Receive No. 822 and Maryiand No. 1818, said to have been the matchine which crashed into Rector's wagon.

More than 2,000 case a of typhoid fever were reported in New York City in the month of September.

TRY MURINE EYE REMED For Red, Weak, Watery Eyes and GRANULATED EYELIDS

Dr. Claxton Also Wants Additional Employes in Education Bureau.

MORE MONEY IS NEEDED

Disease Said to Be Prevalent Alaska-Stress Is Laid on Health Teaching.

Increases in the salaries of a large number of employes of the United States Bureau of Education, the creation of several new positions, the securing of additional help, and a number of extra spropriations are strongly urged in the annual statement of P. P. Claxton, Commissioner of Education, to the Secretary of the Interior, made public yesterday. It is potned out by the commissioner that within the last three years the work of the bureau has theresaed more than threefold, with an increased more than threefold, with an increase of only 30 per out in appropriation. With the present fonds and equipment, the report states, the bureau can attempt to do only a small part of the work for which it was established.

Taberculosis in Alaska.

That is nor cent of the native population of Alaska is affected with tuberculosis in various forms, and that trachoma and rheumatism also prevail to a considerable extest in many of the native villages, are stated in the report. An appropriation of at least \$15,000 to exclabilish an Alaska medical service is recommended by Dr. Bunit Kreilish, who investigated health conditions in that country.

object of a special sermon delivere-ening by Hev. Merritt Earl in the sea Heights Methodist Episcopa i before a large audience.

Heard in Hotel Lobbies.

"Washington certainly is a dead city on a Sunday," was the remark made by John H. Harrimston. of Bangor, Me., yesterday at the Raleigh. "No place to go except the movies," and then to alone,"

J. Walter Mason, of St. Louis, stopping at the New Willard, is sponsor for the following: I believe Branch Rickey will give St. Louis a good ball club. He will have the backing of the fans. If Col. Hedges remains in the background. But if Col Hedges butts in again, the fans will surely refuse to view the games."

"Bageball is certainly popular in Japan," said Harry L. Bradon, of Chi-cago, who recently returned from a trip through Japan. "All the colleges over there have ball teams, and they put up a pretty good game. There is only one drawbark to the playing of the Jap clubs—you see little sliding."

MARKET FOR COCKLEBURS.

Farmer Makes a Shipment to In-

Risan Doctor in Spokase.

Rissaliville, Ark. Dec. II.—An express shipment of a peck of cockiebura, consigned to Spokase. Wash. was the unusual product given the Wells Pargo & Co. express here by J. Detirich, a Pops Gounty farmer. The selling of cockieburs, which the shipper says are used by an Indian physician in Spokase in compounding a salve, is very uncommon, the product being generally considered a missance.

the product on a sum a sum of "Cabbages and Kings," once used the burs to good advantage in his faction, a consignment of the burs being acattered over the streets of a spanit lown in the lord zone to compet the natives to buy short,
